Patient Treatment Agreement

Our intent is to provide you with services consistent with the best practice standards in order to achieve the most successful outcome possible. This is a team approach involving you and your physician. Clinical research indicated people who are consistent with scheduling, attending appointments, and are compliant with their treatment plan **Do the Best!**

Connecticut Colon and Rectal Surgery, LLC respects everyone's time. Prompt arrival for all schedule appointments is appreciated. This will allow us to provide you with a complete treatment session. Standard treatment time is approximately 30-45 minutes.

If you are running late, please notify us by calling (860) 826-3880. We will do all we can to accommodate your treatment needs. **Please understand if you arrive more than 15 minutes late, we may need to reschedule your appointment.**

We **require a 48-business hour notice** of your scheduled appointment if you are unable to attend. Our phone number is (860) 826-3880. If you do not attend your appointments, you will then lose your ability to schedule, and your future scheduled appointments will be cancelled. You will continue to have access to our services; however, it will be under a "same day call status". This allows you to call on the date you would like to come in for treatment to see if there is availability. The following is criteria for transitioning to the same day call status:

1. You no-show for two appointments.
2. You cancel and/or reschedule two consecutive appointments.
3. You frequently cancel and/or reschedule appointments without a 48-business hour notice.

We look forward to helping you achieve your goals!

By signing below, you are aware of and agreed to our "Patient Treatment Agreement" Guidelines.
